1500-1530	Allowing end users to efficiently access products and services securely <i>Don Mackintosh, AARNet</i>	Campus, data centre & cloud networks. Utilising AARNet better. <i>James Sankar, AARNet</i>	Removing the pain from ICT Procurement <i>Vanessa Dossetto, University of Southern Queensland</i>
<b>1530-1600</b>	<b>Afternoon Tea &amp; Exhibition</b>		
<b>1600-1730</b>	<b>Concurrent Sessions &amp; BoF</b>		
	<i>Reef Room</i>	<i>Michaelmas Cay Ballroom</i>	<i>Urchins Room 3</i>
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>
<i>Chair:</i>	<i>Mike Holm</i>	<i>Michael Lymbery</i>	<i>Catherine Tan</i>
1600-1630	AusCERT HE-ISAC – from Concept to Creation <i>Nick Soysa, AusCERT</i>	IoT Smart Campus BoF <i>Chair: Michael Lymbery</i>	Partnering with vendors for agility and success <i>Clinton Bell, University of Southern Queensland</i>
1630-1730	Cybersecurity Community of Practice <i>Chair: Mike Holm</i> <i>Speaker: Clinton Kerrison</i>		Developing valuable products and services for Education and Research (Cloudstor) <i>Don Mackintosh, AARNet</i>
<b>1730-1930</b>	<b>Welcome Reception, Exhibition</b>		

# Thursday 27 September 2018

0730 Registration opens				
	<i>Reef Room</i>	<i>Urchins Room 3</i>	<i>Coral Lounge</i>	<i>Michaelmas Cay Ballroom</i>
0800-0900	<b>Sponsored breakfast:</b> Extreme Networks	<b>Sponsored breakfast:</b> Cisco	<b>Sponsored breakfast:</b> DXC Technology	<b>Sponsored breakfast:</b> Maser
0930-1030 Concurrent Sessions				
	<i>Reef Room</i>	<i>Michaelmas Cay Ballroom</i>	<i>Urchins Room 3</i>	
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>	
<i>Chair:</i>	<i>Peter Embleton</i>	<i>Michael Lymbery</i>	<i>Merv Connell</i>	
0930-1000	F5 - APM the "Glue" for USQ's SSO and Access Management Solution. <b>Daniel Ehrlich, University of Southern Queensland</b>	Highly Available IP Telephone services - the Griffith experience <b>Andrew Williams, Griffith University</b>	Engaging in Engagement - a ground up learning analytics approach <b>Scott Sorley, University of Southern Queensland</b>	
1000-1030	Multifactor Authentication at Deakin University <b>Dushyant Sattiraju, Deakin University</b>	Case studies on how to optimise your network for simplicity, scale and agility <b>Chris Georgellis, Extreme Networks</b>	Student Digital Workspace <b>Steven Jorgensen, Griffith University</b>	
1030-1100 Morning Tea & Exhibition				
1100-1200	<b>Keynote Presentation</b> 2050 – To be human in a tech dominated world <b>Lani Refiti, IoTSec Australia</b>			<b>Michaelmas Cay Ballroom</b>
1200-1230 Concurrent Sessions				
	<i>Reef Room</i>	<i>Michaelmas Cay Ballroom</i>	<i>Urchins Room 3</i>	
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>	
<i>Chair:</i>	<i>Terry Smith</i>	<i>Yvonne Adele</i>	<i>Anthony Morel</i>	
	TLS 1.3 - Minor Version, Major Change! <b>Brett Smith, F5</b>	Event/Intent/Self driving networks – Getting on with network automation to make your life easier <b>Mark Barrett, Juniper</b>	The network's impact on student and staff experience <b>Darren Smith, Aruba HPe</b>	
1230-1400 Lunch & Exhibition				
1400-1530 Concurrent Sessions				
	<i>Reef Room</i>	<i>Michaelmas Cay Ballroom</i>	<i>Urchins Room 3</i>	
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>	
<i>Chair:</i>	<i>Stephanie James</i>	<i>Luke Walford</i>	<i>Don Mackintosh</i>	
1400-1430	James Cook University - Student App project <b>Jackie Atkin &amp; Tiernan Messmer, James Cook University</b>	The changing face of enterprise Internet access - Griffith experience <b>Peter Kurtz, Griffith University</b>	Zoom Roadmap <b>Sergio Aguilera, Zoom</b>	
1430-1500	Tackling the persona challenge; Unlocking IAM as a strategic enabler <b>Andre Zitelli, Queensland University of Technology</b>	44 Adelaide GigCity Program <b>Ralph Leonard, Sabrenet &amp; Stavros Patiniotis, EscapeNet</b>	Zoom Open Discussion <b>Sergio Aguilera, Zoom</b>	

1500-1530	<b>CIO Panel</b> <i>Facilitated by: Yvonne Adele</i> Panellists: <b>Rob Moffatt</b> (University of Queensland), <b>Simon Naylor</b> (Extreme Networks), <b>Niranjan Prabhu</b> (Australian Catholic University), <b>Gina White</b> (Southern Cross University)			<b>Michaelmas Cay Ballroom</b>
1530-1600	<b>Afternoon Tea &amp; Exhibition</b>			
1600-1700	<b>Concurrent Sessions &amp; BoF</b>			
	<b>Reef Room</b>	<b>Michaelmas Cay Ballroom</b>	<b>Urchins Room 3</b>	
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>	
Chair:	<i>Peter Embleton</i>	<i>David Stockdale</i>	<i>Jonathan Davies</i>	
1600-1630	Identity and Access Management at JCU <b>Adrian Tarca &amp; Jeffrey Bird, James Cook University</b>	Delivering the Smart Campus through Intelligent Analytics and Insights <b>Mark Krischer, Cisco</b>	A GPU enabled Remote Desktop for Astronomers <b>Bernard Meade, University of Melbourne</b>	
1630-1700	Identity and Access Management BoF <b>Chair: Adrian Tarca</b>	AARNet Update <b>Angus Griffin, AARNet</b>	The Research Bazaar: cost effective digital literacy PhD training communities <b>Christina Tuke Flanders &amp; David Flanders, University of Melbourne</b>	
1630-2300	Conference Dinner Pool Deck, Pullman Reef Hotel Casino			

## Friday 28 September 2018

<b>0730</b>	<b>Registration opens</b>			
	<b>Coral Lounge</b>	<b>Reef Room</b>	<b>Urchins Room 3</b>	<b>Michaelmas Cay Ballroom</b>
0800-0900	<b>Sponsored breakfast:</b> Dell EMC	<b>Sponsored breakfast:</b> Pure Storage	<b>Sponsored breakfast:</b> Sailpoint Technologies	<b>Sponsored breakfast:</b> RIoT Solutions
<b>0930-1030</b>	<b>Concurrent Sessions</b>			
	<b>Reef Room</b>	<b>Michaelmas Cay Ballroom</b>	<b>Urchins Room 3</b>	
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>	
Chair:	<i>Connie McIntosh</i>	<i>Toran Matherson</i>	<i>Warren Fraser</i>	
0930-1000	Secure Campus of the Future <b>Rodney Hobbs, DXC Technology &amp; Lee Hickin, Microsoft</b>	Developing a Multi-Cloud Strategy for Higher Education Institutes in Australia <b>Mark Swalwell, Cisco</b>	Optimising student engagement: our student portal journey <b>Elisha Hulme, University of Southern Queensland</b>	
1000-1030	Cyber Heroes – Winning Hearts & Minds <b>Peter Vanheck, CQUniversity</b>	Remote Power and Communications: the next wave of network devices <b>David Harris, Commscope</b>	The Smart Classroom <b>Peter Nikolettatos, Optus</b>	
<b>1030-1100</b>	<b>Morning Tea &amp; Exhibition</b>			

<b>1100-1230 Concurrent Sessions</b>			
	<b>Reef Room</b>	<b>Michaelmas Cay Ballroom</b>	<b>Urchins Room 3</b>
	<b>Cyber Security &amp; Identity Management</b>	<b>Networks &amp; Cloud Adoption</b>	<b>Learning Spaces &amp; End-user Compute</b>
Chair:	<i>Elijah vander Kwast</i>	<i>Andre Dreyer</i>	<i>Swain Kirk</i>
1100-1130	Designing a smart cybersecurity strategy on shoe-string budget. <b>Stephanie James &amp; Mark Laffan, Australian National University &amp; Wayne Tufek, CyberRisk</b>	The UQ Metropolitan Data Caching Infrastructure: Taming the Data Deluge <b>Jake Carroll, University of Queensland</b>	LEARN 2020: A whole of institution transition to next generation learning environments <b>Kathryn Meldrum, James Cook University</b>
1130-1200	JCU/FortiNet Implementation <b>Kevin Lane, James Cook University</b>	The Internet with a Cloudy Future – a Divine Story <b>Jason Andrade, Information Ecosystems</b>	Real-time Networked Music Therapy in Virtual Reality <b>Ben Loveridge, University of Melbourne</b>
1200-1230	Introduction to Artificial Intelligence for Cybersecurity Applications <b>Robert Collins, Cylance</b>	RESTing on our laurels: Automating the network the “easy” way <b>Ayden Beeson, Charles Sturt University</b>	Fighting Cybercrime with Artificial Intelligence <b>Toan Trinh, Fortinet</b>
<b>1230-1400</b>	<b>Lunch &amp; Exhibition</b>		
1400-1500	<b>Keynote Presentation</b> Achieving More with Less in the Age of Digital Transformation <b>Simon Naylor, Extreme Networks</b>		<b>Michaelmas Cay Ballroom</b>
1500-1530	Conference wrap up and close <b>Scott Sorley, University of Southern Queensland</b>
